Hello. Today I will be telling you about Christmas spirit. It is an amazing thing. Everybody can have it, even you. And I will tell you what it means.

First, did you know that Christmas day is Jesus's birthday? Jesus is an amazing person and Christmas spirit reminds me of that. The second reason Christmas spirit is such a good and cool thing to have is family. And that is such a good opportunity. You get to see them, hang out with them and open presents with them. There is so much to it, joy, happy, love, laughter and beautiful things, like trees with really cool lights and ornaments. Christmas spirit means being peaceful and having your heart full of joy and gratitude for the things you have in life. Whether that's friends, family, a roof over your head or even clothes. Some people don't have all that. But they can still have Christmas spirit by believing. Because any day, especially Christmas day, if you believe or have Christmas spirit Jesus or maybe God will help you. In conclusion, Christmas spirit means all the stuff I just said and whatever you believe it is. Thank you.
