

Girl #13 (Age 9)

What the Christmas spirit means to me is a lot of things. It is special to me when I see the snow falling. I love to decorate the Christmas tree. It feels so good to smell the cookies. On Christmas I hear bells ringing, angels singing and Christmas feels really special. Snow is falling. Jesus is calling! Stocking are hung. Cookies are done! I think Christmas is very, very, special. This is what the Christmas spirit means to me. Merry Christmas!
