What Christmas means to me. Christmas means love and family.

Christmas makes me think of snow, winter, sledding, snowflakes, snowballs, Christmas lights, ornaments and a Christmas tree. Also

makes me think of food, Christmas movies, Christmas songs too.

Christmas makes me think of jolly people, not grumpy people, friends, good people, presents, Christmas list, Santa's elves and Miss Clause.

If you want to play outside you need snow pants, coats, gloves, hats, snow boots and maybe ear muffs. We sometimes have a big dinner and drink eggnog. The Christmas colors are red & green. The Christmas animal is a reindeer. Christmas is not all about Santa Clause. Christmas is on a cold snowy winter morning. Some songs of Christmas are Frosty the Snowman, Mr. Grinch and Noel. Those are some songs, but that's all I remember. Also Elf on the Shelf. I think they are creepy to me.

But on Christmas it is Jesus's birthday. That is the most important about Christmas!
