What Christmas means to me. Christmas means spending time with your family and friends having fun watching movies, playing games. It doesn't really mean presents and candy. It means celebrating Jesus's birthday. What is Jesus birthday? We all know Jesus sent his one and only son down to earth to die on the cross for our sins. Also who is Jesus? He is an everlasting God, a powerful God who cleanses our souls with his power. On Christmas we every other year we do Christmas on Christmas eve because my nephew I live with, my sister's son, goes with his dad to Cassopolis. So on Christmas day we just spend quality time with family & friends or we play with our Christmas gifts. Do you do early Christmas or do you get one early Christmas gift? Do you have a family tradition? If so what is it and why do you do it? The end. Have a happy and merry Christmas. Happy holidays.
