

Girl #27 (Age 10)

What I think Christmas means to me is, firstly Jesus's birthday! Christmas is very special to me because of his birthday. Why Christmas means to me is also making cookies and giving. I love giving things away because it makes me feel warm and tickly on the inside. Christmas feels like nothing can bring you down. When you wake up in the morning and see the pretty snow, smell breakfast cooking and hear Christmas carols on, you just gotta smile! I love Christmas also because you get to see your family and friends and get to give things and get things. Christmas is meaningful to you because we get to be thankful for all we have. What Christmas means to me is to celebrate the family we have and the ones we have lost along our journey. Christmas means to love and laugh and smile and to be happy!
