What does Christmas spirit mean to you? Everybody has different opinions and beliefs. I'm going to tell you what Christmas spirit means to me.

First, like I said in the beginning everyone has different beliefs. I'm a Christian. So I believe in Jesus. So how I get my Christmas spirit started is thanking Jesus for all that he's done. Second, of course you have to have the decorations, cookies and the music! Christmas music always gets me going for the holidays. What about you? Third, you're probably thinking you forgot about the gifts! Yes, I know I'll get to the gifts. Before that I want to talk about family first. Being with family always makes me happy, especially around the holidays. They always get me in the mood for me to let my Christmas spirit shine through!

Next, now time for the gifts. We all like receiving gifts, right? Well I know I do. But we also have to think about giving gifts to our loved ones. We like receiving gifts, but they do too! Picking out gifts for everyone always gets me in my Christmas spirit.

These are great ways to have Christmas spirit! These things also always get me sooo excited for Christmas.
