What Christmas means to me! Christmas means spending time with all your friends and family. In the Bible Christmas is about the birth of God son Jesus, most people and kids think that Christmas is all about giving and getting presents but it is not. It's all about celebrating to order. Jesus's birthday is also celebrated as a cultural holiday across the globe. Christmas is on December 25 my family we do different kinds of traditions a lot of our family traditions are we're going to different kinds of jingle mingle festivals. We go to deweys for the light show in making cookies for reindeer and reindeer. Food for Santa and his reindeer and that is what Christmas means to me.
