

Prince #3

What Christmas means to me 🎄 I like Christmas because I get to open all the presents. Just kidding, I believe Christmas is all about getting to spend more time with my family. I like spending time with my family on Christmas because we can make good memories. My favorite person to see on Christmas is my aunt Jojo because she lives 3 hours away. That is why she is my favorite person to see on Christmas. I like spending time up there with my aunt because I get to go sledding and go to the arcade with her. We also get to ride on snowmobiles which is really fun. When it snows it looks very cool and when it snows hard I get to jump in the snow and have snowball fights. When it snows I jump on the trampoline while the snow flies everywhere. I get to play football at school in the snow with my friends. We all slide down the big hill on our stomachs that are at our school. Christmas is fun getting gifts but you also get to celebrate Jesus's Birthday on Christmas with family. We wouldn't have Christmas if it wasn't for Jesus! Christmas is the best season of them all in my opinion. Tis' the season for magical things to happen in any way. This is what Christmas means to me. "The best way to spread Christmas cheer is singing loudly and spending time with family."
