

Prince #4

Christmas is a loved Holiday by all. I will explain to you why it is my favorite holiday. Christmas is the only holiday that my family gets together and has a good time. My Mom's side of the family and my Dad's side of the family have separate Christmas celebrations. My Mom's side has two and my Dad's one. Everybody is happy and giving each other gifts. It's heartwarming. Even the nonsocial people are socializing. It's crazy how one day can do that. That's why Christmas means a lot to me from people laughing that don't usually laugh and people socializing that don't usually socialize. It bends peoples spirits in a good way. I just love seeing everyone in a good mood. I love spending time with everyone because it doesn't usually happen. Seeing the kids running down or upstairs to see their presents. It is truly a special day.
