

Princess #1

Do you like spending time with family, Jesus, or Christmas decorations? These are just a few things that remind me of what Christmas means. Family time is the most important to me. Christmas means more time with family. I love my family, and they make me happy. I get to spend time with family I don't see often. My mom brought me to church to learn about Jesus. Jesus is the reason for the season. Christmas is when we celebrate Jesus birthday. Jesus saved us from our sins. He is my Lord and Savior. Jesus loves us all. We place an Angel on the top of our tree to represent Jesus. I like to help my mom decorate for Christmas. The twinkling lights remind me of the stars in the sky. Decorating makes me happy. Decorations are pretty. Christmas means time with family I don't see. The decorations remind me of Jesus, as it's his birthday. This is what Christmas means to me.
