

Princess #11

Christmas to me means Jesus's birthday and sledding with my family. It's hanging stockings and having Santa fill them. I feel like people get so wrapped up in presents that they forget that if God had not made it so that Mary had baby Jesus there would be no Christmas and no presents. Christmas means a break from school and hopefully snow. I think Christmas means time for Christmas trees and candy canes. At Christmas my family puts up a tree and decorates it with lights, ornaments, and a sparkly star. Christmas Eve is a good time to watch a Christmas movie with your family. I think it is fun to make paper snowflakes with your family and hang them up around your house and watch them blow in the breeze. To me Christmas is the most important holiday because where would we go after we died if Mary didn't have baby Jesus. Christmas is a great time for family time. That is what Christmas means to me.
