

Princess #16

What Christmas Means to Me Christmas to me is when you are with your family and spending time with them. Before Christmas, I go to my Grandma and Mr. Mark's house and we bake cookies and bake lots of fudge and we make pretzels with Hersey's on top. At my Nana and Papa's house, my cousins and I get to build and decorate gingerbread houses. We eat a lot of candy those days. My family and I always go to my Nana and Papa's house in the afternoon for Christmas. My cousins and I go out in the yard and hook up a sled to the snowmobile and every time I am the first one to fall off but it is so much fun. Another one of our traditions is that we always have pigs in a blanket and cinnamon rolls for breakfast and watch A Christmas Story and the movie Noelle after we open presents on Christmas morning. My favorite part of dinner is eating Chinese food and relaxing and playing with my new stuff. My elf Charlotte always makes me an advent calendar on our extra Christmas tree. Every year my cousins and I draw one name out of a hat for Secret Santa. I love doing this too. Christmas is my favorite holiday because I get to spend time with my family and friends and that is what Christmas means to me.
