

Princess #2

One thing that Christmas means to me is spending time with my family. Another reason is I like to wake up with presents under the tree. The third reason what Christmas mean to me is wrapping present on Christmas eve. The fourth reason is making Christmas cookies. Another reason Christmas means so much to me is seeing all the food we have for Christmas. The sixth reason is watching the best Christmas movies we can find. The Last reason what Christmas means to me is making sure all food is delicious and making sure everyone's Christmas is amazing. This is what Christmas means to me.
