

Princess #22

To me Christmas means spending lots of time with my family. We also have a lot of traditions that we do. Our first tradition is baking and it's one of my favorites. Every year we spend the night at my grandma's on Thanksgiving and the next day we make cookies and a craft. We also bake lot of different kinds of cookies at home like gingerbread and sugar cookies. After we make cookies and crafts at my grandma's we go home and decorate the house and our tree. That might be my favorite tradition. Another thing we do together that I love is to be on the Holly Trolley, watch the parade, and go to Dewey's light show. I also love giving gifts to my people in my family and my pets. I get to do the shopping for the gifts and sometimes I make gifts. Then every Christmas Eve we have a Christmas Eve dinner and we invite Grandmas and Grandpas. Those are all of my traditions and how I spend time with my family.
