

Princess #25

What Christmas means to me is spending time with family. Not receiving but giving gifts and helping everyone around me. Hearing people laughing and Bells ringing when you are walking around town. Just having that feeling in your heart to want to spread joy to the people around you. Seeing everyone joyful and happy. Christmas is an amazing time of the year when people of all ages can go door to door and sing Christmas carols and spread laughter and joy to the people around them. Christmas is just an amazing time of the year but the most important part of Christmas is remembering Jesus Christ. Christmas is when Jesus was born so it's important that we remember that we love him and will always remember him not only on Christmas but every day of the year. Merry Christmas!
