

Princess #28

What Christmas means to me is I get a lot of presents, I like it so much I have so so much fun. You have so so so much fun on Christmas. Before Christmas starts you have to make sure you write a letter to Santa. Santa has a lot of elves if you touch a elf it will lose its magic. Santa has to give his reindeer magic. Santa has so so so so much magic. Santas reindeer are so cute. Christmas also means spending time with families and cherishing the time you have together especially when you're making Christmas candy and cookies.
