

Princess #29

I love Christmas because all my family members come to visit from 5 hours away. I don't care if I get expensive things or a lot of presents, I just want to see my family and friends. When I think of Christmas, I think of joy and Jesus. Christmas is when Jesus was born so he would grow up to be our Savior by dying on the cross. Ever since I was little, I have loved my pets and nature. So when it snows, I go sledding with my mom and dad. But it is more than sledding to me because we do it every winter so its kind of like a tradition. This year is going to be the best Christmas ever. Christmas means so much to me because it is the most wonderful time of the year. The best part is that I get to decorate with the Christmas tree and stockings. When you are doing all that stuff, you are also making memories. Last but not least, I get to visit all of my family.
