

Princess #31

What Christmas means to me is getting to put up the Christmas tree and put the ornaments on it, it is a lot of fun. I get to spend time with my family while doing it. I love when we get ham, mashed potatoes and sweet corn they are good and yummy. I love getting to open presents right by the Christmas tree and everyone passes the presents out to each other. I love getting to leave Santa cookies and milk. I also love the Elf that visits our house every year and makes messes. The most important thing altogether about Christmas to me is being with family.
