

Princess #32

Hi, I am ten years old. Christmas is my favorite time of year because I can spend time with friends and family. My family and I like to bake Christmas goodies like cookies, peanut butter balls and fudge. Christmas makes me blissful because I get to play in the snow with my dogs. During the holidays we get to do cheerful dances on stage for friends and family to come see. Another reason why Christmas makes me blissful is because I get to be in a parade. When I get home I watch Christmas movies. My absolute favorite Christmas movie is Home Alone. I love putting up and decorating the family Christmas tree with mom and dad. I get to eat popcorn, drink hot cocoa and watch Christmas movies. That's what Christmas means to me!
