Princess #8

Jesus was born when Mary gave birth. He grew to be the savior. He died for us. That is why Christmas is the day of his birth. This is joy to the world. This is what I do on Christmas. First we sing carols. Then we have a party. Next we put carrots and put milk and bookies out for Santa. Then window clings. Then we put decorations up. Then we watch Frosty the snowman. Last we go to sleep. Then we wake up and open presents. Then Give presents to family. Other people celebrate differently. Christmas means joy and happiness for everyone.
