

# HASTINGS *Jingle & Mingle*

What Christmas Means To Me. Christmas is Jesus' birthday, and we get a lot of toys to celebrate. We get to see our family and we get candy so we can put it on cake. I get a break from school. We get a lot of food, and we get stuffed from all that food. I get only 14 days off, and me and my brother get to play a lot. I get to eat a lot of snacks, and I get to watch television.
