

# HASTINGS Jingle & Mingle

What does Christmas mean to you? Well, what I think Christmas means to me is family and Jesus. One tradition my family does is white elephant. For white elephants we buy gifts for each other then we put them in bags. Next, we grab a bag. Then, what you get is what you get. Another tradition is Christmas in July. What is Christmas in July? Well, Christmas in July is literally what it says. My mom and I usually watch a Christmas rom-com (romantic-comedy). At my grandma's house we usually do both those things, and we sometimes have a barbeque. Why do I think Christmas is also about Jesus? Because it is also his birthday. I also love Christmas because of the snow! Most people love snow because of sledding, and when it is cold you get hot chocolate. Also, winter break from school. Most kids would agree. I like school but I also don't. I have a neighbor who has a huge sledding hill! We always go sledding there. That is what I think Christmas means to me.
