

HASTINGS *Jingle & Mingle*

For me Christmas is all about baby Jesus. Jesus is affectionate and caring and he was born on Christmas day. Every Christmas eve it has been a tradition for my family to read the story of baby Jesus. We also celebrate His birthday with a cake like you would on your birthday. Around Christmas we always go to a candle lighting service at church and learn about Jesus through the sermon. We light candles as we sing to Jesus. Jesus being born is what Christmas means to me!
