

HASTINGS *Jingle & Mingle*

Christmas means that it is Jesus's birthday. He is special to me because he died on the cross for our sins. At Christmas I get to see family that I don't normally get to see over the year. I play board games and cards with my mom, dad, brother, and sisters. My aunt makes gingerbread, and we make houses to decorate with my brother, sisters, and cousins. I get to help make Christmas cookies and frost them. I like to help put the Christmas tree up and hang ornaments. I also like to help my mom wrap Christmas presents that we give to our family. Plus, I don't have to go to school for 2 weeks and spend time with my family.

That is what Christmas means to me.
