

# HASTINGS Jingle & Mingle

Every year I look forward to Christmas. To me, Christmas is like family. I love spending time with my family. We have such a fun time together, I love it. Being with my family brings me happiness and joy. As a family, we also donate presents to families that are in need. This makes my heart happy.

Elf and Grinch pay me a visit each year. They hide from me, they leave me snacks, and they get into a lot of trouble. I look forward to finding them every morning! I also eagerly await Christmas morning when we spend with my parents, siblings, and grandparents. We find our stockings, open gifts, eat, and be merry.
