

Christmas means to me to be grateful for my family that I still have. Also to be thankful for the food that is available to me that day. Christmas is a time to celebrate the birth of our lord and savior Jesus and to be thankful that he was born and sacrificed his life to give me a second to be in heaven when I pass away. It's also a time to be grateful for the friends that I have. It's a time to be carefree and happy and to play in the snow with my friends and family. Christmas means to me a time to be happy for all the people in my life and hopefully the people who will be in my life later on. Christmas is the best time of the year for joy and happiness.
