

Christmas means to me spending time with my family such as watching stuff like Christmas movies with my family like The Grinch, as a family. One fun thing I get to do is play in the snow with my friends and siblings. I also enjoy making cookies. Open presents also present an inch. I also like making cocoa, making gingerbread houses and listening to Christmas songs and driving. Also get Christmas trees. Singing songs about God and Christmas also means Jesus's Birthday. I like preaching to others and going to church. praying for stuff you need and he will help with need.
