

Christmas means a lot to me, because you get presents and spend time with your family. The laughter we bring and the smiles that are on Christmas are special. It is also when Jesus was born and died on the cross for our sins in the world. I also like baking cookies and putting them in the oven so Santa can eat them. Also the milk that he drinks and the toys that he brings if we are good. My favorite is the decorations that we put up. Then we put up the Christmas tree and we put ornaments to decorate the tree. Then we wait for Christmas but in the meantime we watch Christmas movies, eat popcorn, and we have the best time of our lives. Then we go on vacation to Tennessee for Christmas eve. After that we go to our friends house to open presents and eat cookies and hang out having fun. Then we have a half day of school Christmas party and have cake, cookies, hot chocolates, and breakfast pancakes. Then we go home with gifts with a smile on our faces. Then we sing our favorite Christmas song and we get in the car to go to an old Christmas car show with old fashion cars. Then we stay home for a week and feast until our bellies are full with goodies. Then Christmas comes and we get lots of presents, clothes, and toys. Then I hear my family laughing and cheering while we open our presents. Each by each I see smiles on my family's faces and having fun while doing it. This is why Christmas is important to me.
